PROFESSIONAL PROFILE

PMDC-registered doctor who has completed a one-year, full-time residential house job at Arif Memorial Teaching Hospital, a 660-bed PMDC-recognised teaching hospital in Lahore, with rotations in Anaesthesia, General Surgery, General Medicine and Psychiatry. Experienced in managing patients across outpatient, inpatient and emergency departments, with hands-on procedural and emergency surgical experience from a rotation at Services Institute of Medical Sciences and advanced imaging exposure through a radiology elective at the JCI-accredited Shaukat Khanum Memorial Cancer Hospital & Research Centre. MBBS graduate of Rashid Latif Medical College (University of Health Sciences, Lahore) with a 76.4% cumulative aggregate, complemented by a strong record in academic competitions, public speaking and student leadership. Seeking a Medical Officer position to deliver safe, compassionate and evidence-based patient care.

CORE COMPETENCIES

• Clinical History & Examination	• Emergency Patient Management	• OPD, Ward & Inpatient Care
• Perioperative & Anaesthesia Care	• Surgical Ward Management	• Acute General Medicine
• Psychiatric Assessment & MSE	• Radiology & Imaging Exposure	• Cannulation, Catheters & Suturing

CLINICAL EXPERIENCE

House Officer

Jul 2025 – Jun 2026

Arif Memorial Teaching Hospital, Lahore • 660-bed PMDC-recognised teaching hospital (Rashid Latif Medical College)

- Completed a 12-month, full-time residential house job across four core clinical departments.
- Managed patients in outpatient (OPD), inpatient (ward) and emergency departments under consultant supervision.
- Clerked admissions, performed clinical examinations, followed up investigations and maintained accurate patient records and handovers.
- Worked within multidisciplinary teams of consultants, residents and nursing staff in high-volume settings.

Rotation / Department	Period	Duration
Anaesthesia	01 Jul 2025 – 30 Sep 2025	3 months
General Surgery	01 Oct 2025 – 31 Dec 2025	3 months
General Medicine	01 Jan 2026 – 31 Mar 2026	3 months
Psychiatry	01 Apr 2026 – 30 Jun 2026	3 months

Clinical Elective — Department of Radiology

02 Jun – 16 Jun 2025

Shaukat Khanum Memorial Cancer Hospital & Research Centre (SKMCH&RC), Lahore • JCI-accredited department

- Observed diagnostic and interventional radiology procedures, working closely with residents and fellows.
- Exposure to 3T/1.5T MRI, 160-slice CT, PET-CT, DSA, interventional radiology, Doppler/ultrasound and mammography.
- Commended by the Head of Radiology for responsibility, keen interest and a high degree of professionalism.

Clinical Rotation — Surgical Unit-II

Jul 2023 (2 weeks)

Services Institute of Medical Sciences (SIMS), Lahore • Public-sector teaching hospital with very high patient inflow

- Took histories and examined patients in indoor and outdoor settings; discussed differential diagnoses of complex cases.
- Completed three 36-hour surgical emergency on-calls, performing vitals, Foley's catheterisation, IV cannulation, phlebotomy, IV/IM injections, wound debridement and suturing.

- Assisted in an emergency appendectomy and scrubbed in for an elective parathyroidectomy under the Head of Department's supervision.
- Strongly recommended by the then HoD & Principal as a quicker learner than many house officers in the unit.
